

Al Jaber Group

Al Jaber Group (AJC) is a privately owned diversified group of companies specialised in areas of contracting, construction, logistics, industrial and trading. The Group's success is based on sustainable growth and diversification. The strength of the Group's performance is based on its ability to utilize the synergies between the Group companies to support and complement each other, and to manage risk through diversification and strong management.

AJG was established in 1970 and today is a market leader; the Group is the largest private sector employer in the UAE with over 40,000 employees and boasts the largest fleet of vessels, cranes, equipment and machinery in the UAE.

The United Arab Emirates (UAE) and Qatar have historically been the principal markets for AJC's business activities with well-established and long-standing relationships with government, semi-government and private sector clients. Recently Al Jaber Group expanded to Kingdom of Saudi Arabia and Oman. Due to the Group's diversified nature, it also has exposure to export markets all over the world and particularly in the GCC and the Far East.
