

French Business Group Abu Dhabi

Created in 1974, the French Business Group (FBG) is the French Chamber of Commerce and Industry of Abu Dhabi.

It is a non-for-profit organization and an affiliated member of the UCCIFE (Union of French Chambers of Commerce and Industry Abroad) which is represented in 81 countries.

FBG mission:

Develop relationships between its members and the Emirati business community and to promote investment, trade and economic relations between France and the Emirates.

- Fostering business relations in the UAE and in France through our network and during occasions of formal and casual events
- Support the development of French Business Group member companies, and other French companies who want to set up in the UAE
- Promote and lead the FBG's business community, through relevant services and trainings

The FBG gathers:

- More than 300 Members of which 230 Companies
- An Executive Committee of 12 elected members led by the President
- Mr. Samir Salloum
- A 5-person permanent team
- 3 business committees (Oil & Gas, Young Committee, Real estate & Construction)
