

## Total Company Profile

One of the world's leading international oil companies active in more than 130 countries, Total is also a top-tier natural gas, refining and petrochemical operator. Today, in response to soaring energy demand, we are stepping up our expansion into solar and biomass. Our 97,000 employees are producing the energy and products our planet needs, while demonstrating their internationally recognized expertise.

After almost 90 years of uninterrupted presence in the Middle East, Total is today active in 9 countries across the region: the UAE, Qatar, Yemen, Saudi Arabia, Oman, Iraq, Kuwait, Lebanon and Jordan.

Total started operations in Abu Dhabi in 1939. Since then, and over the decades, we have been able to develop a mutually beneficial long-lasting partnership with the emirate based on a shared vision and a commitment to skills development, innovation and technology.

Today, Total is the only international oil company working with the majority of Abu Dhabi's oil and gas Operating Companies and other energy companies: ADCO, ADMA-OPCO, ADGAS, GASCO, FERTIL, Taweelah A1, Shams 1 and Dolphin Energy. In addition, Total has been the operator of the Abu Al Bukhoosh oil field for almost 40 years.

Through ongoing investments in technology and by applying our regional and worldwide expertise, we are contributing to Abu Dhabi's endeavor of increasing crude oil output. Total is also partnering the UAE in the diversification of its energy mix – and beyond oil and gas, we are working to raise education standards and preserve the environment.
