

MR. BADR AL OLAMA

CEO

Strata Manufacturing PJSC

Senior Vice President

Mubadala Aerospace

Badr Al-Olama, a Senior Vice President for Mubadala Aerospace since 2005, is the Chief Executive at Strata Manufacturing PJSC – a wholly-owned advanced composite aerostructures manufacturing facility based in Al Ain. In his role with Mubadala, Mr. Al-Olama was responsible for the development of Nibras – the Al Ain Aerospace Park which is a joint initiative between Mubadala Aerospace and Abu Dhabi Airports Company. Prior to his tenure with Mubadala Aerospace, Mr. Al-Olama was an advocate and legal consultant at Habib Al-Mulla and Company. A graduate of Harvard Law School in 2005 and the College of Shari’ah and Law at the UAE University in 2002, Mr. Al-Olama has contributed to a number of seminars and delegations including “International War Crimes and Crimes against Humanity” and “Offshore Companies in the UAE”. Mr. Al-Olama serves as Chairman of Bidayaat – the region’s first childcare company – and on the Board of Directors at Abu Dhabi Aircraft Technologies and SR Technics. Mr. Al-Olama also serves as the president of the UAE Harvard Alumni Society.
